Please go to **[www.wisleyairfield.com/engagement](http://www.wisleyairfield.com/engagement)** and click the link to register for the online webinar.

Once you have registered, you will receive an email with a link to the webinar and instructions of how to join. If you are having difficulties registering or joining the webinar please email **[formerwisleyairfield@cratus.co.uk](mailto:formerwisleyairfield@cratus.co.uk)** or call **07713 940 724**.

Our first community consultation will take place on two different days to allow everyone to attend. The same presentation will be given on both days and a recording will be posted on our website if you cannot attend on the day.

Following Taylor Wimpey's purchase of the former Wisley Airfield site, we are pleased to invite you to our first online community consultation events on the **16<sup>th</sup> and 18<sup>th</sup> July 2020**.

Due to restrictions on social gatherings, we are unable to hold face to face community consultation events until the near future.

We are holding two online engagement events via the video sharing platform, Zoom. These events will provide the opportunity for you to learn more about the project team and our plans for the former Wisley Airfield. We will be taking questions throughout the events and answers to all questions will be published on our website the week following the webinars. We look forward to receiving your feedback and working with you to shape the former Wisley Airfield Masterplan.
